Senior Executive Director of Institutional Effectiveness
And Grants
Edmonds College
20000 68th Avenue West
Lynnwood, WA 98036

Dear Mr. Mulik:

This is to certify that the Northwest Commission on Colleges and Universities (NWCCU) is an institutional accrediting agency for colleges and universities predominantly in the states of Alaska, Idaho, Montana, Nevada, Oregon, Utah and Washington. The Northwest Commission on Colleges and Universities is recognized as a reliable authority on institutional accreditation by the United States Department of Education.

This letter serves to verify that Edmonds College, located in Lynnwood, Washington, has been accredited continuously by NWCCU since receiving initial accreditation in 1973. NWCCU accredits Edmonds College at the associate and bachelor's degree levels. The Commission reaffirmed the accreditation of Edmonds College on the basis of a Spring 2017 *Year Seven Mission Fulfillment and Sustainability* evaluation. The College's next comprehensive evaluation is scheduled for Spring 2024. NWCCU accreditation does not expire, but is reaffirmed in a regular cycle of evaluations to determine compliance with the Commission's Eligibility Requirements, Standards, and Policies.

The institutional accreditation of Edmonds College includes the English Language Program.

Please contact NWCCU if you have questions regarding the College's accredited status with the Northwest Commission on Colleges and Universities.

Sincerely,

Pamela J. Goad, Ph.D.
Executive Vice President
