This 3-day camp is for High School athletes who will be in the 9th through 12th grades this fall. We have room for up to 30 total campers. The camp will be right before our college pre-season training which starts Aug. 1. This camp is designed to give HS athletes some advanced training they can't get at an all-skills camp. It also gives college prospects some general recruiting guidance and time to train with our athletes. This camp spends almost 50% of the time on team-related skill improvement. Come learn from the Edmonds College Volleyball Staff and see how we train our exceptional athletes. For our out of town athletes, home stays are available, contact our coach for information: [tony.miranda@edmonds.edu](mailto:tony.miranda@edmonds.edu)
