CAMP DESCRIPTIONS

YOUTH CAMPS: Are for 4th through 9th grade boys and girls of all levels. Each camp has room for up to 45 total campers and encourage players of all levels to register. Campers will be placed on courts based on age and skill level. Each camper will learn and/or improve the fundamental skills: serving, passing, setting, hitting, and defense. Some time will also be spent on blocking and team defense.

HS ADVANCED OR RECRUIT CAMPS: These camps are for experienced High School athletes who will be in the 9th through 12th grades this fall. If you are a first time volleyball player in the 9th grade, please register for the Basic Skills Camp. We have room for up to 28 total campers. Campers will be trained by the college staff and team during their pre-season. This camp is designed to give advanced HS athletes some advanced training they can't get at an all-skills camp.

This camp spends almost 50% of the time on team-related skill improvement. Come learn from the Edmonds CC Volleyball Staff and team.

POSITION CAMPS: Concentrate on hitting and setting. We limit enrollment in order to maximize the number of contacts each player will receive. Players can expect to get a lot of contacts and improve greatly at our position camps.
