Tap into your potential.

You can start your bachelor's degree with us — and go anywhere for your next two years. Or finish your bachelor's degree right here on our campus at Central Washington University-Lynnwood. Choose from a wide range of classes and programs to train for a new career or update current job skills. Take classes when and where it suits you: day, evening, weekend, and online.

Know your resources.

Get help paying for college

At Edmonds CC, we believe you should have the opportunity to achieve your educational goals — regardless of financial circumstance. When applying for financial aid here, you will be considered for a variety of federal, state, and private programs. The college Foundation also offers scholarships to our students.

Use services to support your success

Look for a variety of services on campus to help you make decisions that fit your skills, talent, and outlook on life. Get help to identify a career, transfer to a four-year university, or find a job or internship. Tutoring is available in math, writing, and many other subjects.

Make the most of college life

Attend art and cultural events throughout the year and find opportunities to participate in intercollegiate athletics, service-learning projects, student publications and performance groups, and more than 50 student clubs. Explore your interests.
