

Welcome to: eLearning @ Edmonds CC

You are registered to take one or more online courses at Edmonds community college. When viewing the elearning schedule online at www.edcc.edu/elearning:

- Hybrid courses are indicated by the  symbol and combine both time on campus and on the internet.
- Online courses are indicated by the  symbol and take place completely online.

The purpose of this letter is to provide you with tips to help you succeed online.

Stay Connected.

Students are required to activate their EdMail (college email) account in order to receive important communications about enrollment, financial aid, classes, and college activities. To activate your EdMail account or change your password, visit: www.edcc.edu/edmail.

Get Started!

- Access to online courses will be granted by your instructor on the first day of the quarter.
- Hybrid courses will be made available when directed by the instructor.
- Both online and hybrid courses require computer skills, access to the Internet, and a computer which meets minimum system requirements: www.edcc.edu/online/support.
- If you do not access your online course by the 3rd day of the quarter, you may be dropped.

Login to elearning: www.edcc.edu/elearning

We're Here for You!

- Your instructor should be the first person you contact for most course related questions.
- START (Student Technology Advice and Resource Team) helps students understand available technology, by providing one-on-one support as needed throughout the quarter: www.edcc.edu/online/start.
- For questions regarding your student or registration contact Enrollment Services, visit: es.edcc.edu.

Good luck in your studies this quarter and thank you for enrolling in a eLearning course!
