

Game Development Login Instructions

After registering and paying for your class(es), you will need to wait until the end of the first week of the quarter to login to your online classroom Web site at <http://www.gameinstitute.com/>.

Game Institute accounts will be created for you. You will be contacted via email once the account has been created - usually by Thursday or Friday of the first week of the quarter.

NOTE: Students who register after the Quarter begins, will have a 24 to 72 hour delay before they can access their course.

Accounts can only be created after the beginning of the quarter.

Follow these steps to get started:

Step Instructions

1 Print out these Instructions!

2 Go to <http://www.gameinstitute.com/>

3 Enter login User Name & Password information provided via email from the Game Institute.

NOTE: If you have not provided Edmonds Community College with a current email address you will need to email: mcline@edcc.edu

4. Select Login.

NOTE: The first time you login, you should update your profile and change your password after you log on

5. Your Student Home Page will load with links to your Course(s).

Note: All student accounts will be deleted at the end of each quarter as classes are prepared for the new quarter. You will need to complete these steps each quarter you take an online class.

Should you need assistance, please email Game Institute Support at: issues@gameinstitute.com
