Program Description

This Associate in Applied Sciences-T (AAS-T) in Early Childhood Education is a professional technical degree with a core of general education courses commonly accepted in university level transfer programs. The degree is designed to prepare graduates to enter into employment in early childhood (infancy to pre-kindergarten) program settings, but also provide some transferable credits should a student pursue a four-year degree at a later point.

Students seeking to transfer to degree programs other than those specifically designed for the AAS-T should consider the Associate of Arts Degree, which is specifically designed for transfer to four-year colleges and universities. All students who intend to transfer should meet with an adviser of the college they plan to transfer to review specific admission requirements.

Degree Outcomes: For information on degree outcomes, see www.edcc.edu/outcomes/degrees.php.

Credit / Grade Requirements

The AAS-T degree is awarded upon completion of 90 credits of General Education Requirements, Distribution Requirements, and Early Childhood Education Requirements outlined on the program requirement sheet. Students must earn at least 30 college-level (100 level or above) credits at Edmonds Community College. Students are required to maintain a cumulative minimum grade point of 2.0 for all applicable course work to complete the Associate in Applied Science-T degree.

General Education / Related Instruction Requirement

Students who complete degrees of 45 credits or more are required to demonstrate learning in the following general education/related instruction areas: communications, computation/quantitative skills, and human relations/group interaction. All courses in the general education component of the AAS-T must be generally transferable courses and they must assure that the student have a foundation in communication and quantitative skills as well as an introduction in science, social science and humanities. These courses may also serve the dual purpose of meeting industry requirements for job preparation.

Early Childhood Education Associate in Applied Sciences -T Degree Program Requirements 2009-2010

Common Course Numbering Changes: Attention! At this time, 408 courses have had numbering changes due to the common course numbering project. It is important for you to plan your schedule carefully. Please refer to www.edcc.edu/ccn for more information.

Cultural Diversity

Edmonds Community College requires that students earning a degree or certificate of 45 credits or more meet the Cultural Diversity Requirement. Courses that satisfy this requirement are marked as “-CD” on the requirement sheet and “Meets Cultural Diversity Requirement” in the quarterly class schedule.

Students are Advised to

- Consult with an Early Childhood Education faculty adviser quarterly for course selection and completion of degree requirements and plan their schedule several quarters in advance. *Note: All decisions on selection of courses are ultimately the responsibility of the student.*
- Review the college catalog for required course prerequisites and include these in schedule planning.

Graduation Application A completed Graduation Application form must be submitted to Enrollment Services by the 10th day of the quarter in which the student expects to graduate. Forms are available at Enrollment Services located in Lynnwood Hall, or online at www.edcc.edu/credentials/
