

# High School Graduation Requirements

To complete the program students will be required to pass classes and take an exit exam (ACT).

Successful students will receive a high school diploma from Edmonds Community College that meets requirements set by Washington State. This diploma is accepted by colleges and universities in the US, Canada, and other countries.

Bring your official transcripts and English translations with you when you come to Edmonds CC. You may have already completed some or all of the subjects below in your home country.

## Washington High School diploma requirements include credits in:

English  
U.S. History/Government  
Math  
Science  
Health  
Arts (Music, Photography, Dance, etc.)  
Occupational Education  
Physical Education  
Electives

## Washington High School diploma requires the passing ACT scores:

English Language Arts: 14  
Math: 16  
Science: 16
