1. Do you have an official financial guarantee (FG)?

   • Yes – Please bring FG to the International Student Services (ISS) office for reviewing.
   • No – You will be responsible for paying all necessary educational expenses. There will not be any delay of payment allowed.
   • If SACM denies the payment for any reason, it is your responsibility to pay all the fees.

2. In order to be accepted the Financial Guarantee (FG) letter from SACM must meet the following criteria:

   a. The FG letter must be made out to Edmonds Community College (EDCC).
   b. Valid Dates: Must cover the current quarter in full.
   c. Education Level: Must be the same as your current student level at EDCC.
      • If above criteria is not met, please contact your SACM advisor to request a revised FG.

3. I have a financial confirmation letter, can you accept this?

   • No. ISS Fiscal is unable to accept a financial confirmation letter instead of a financial guarantee. A financial confirmation letter only meets the requirements for admission purposes, and it is not sufficient for tuition purposes.
4. I am a new student, but transferring from another college and I have a financial guarantee for that college – can you accept it?

- No. Our office does not accept an FG that was originally written for another college. You will need to obtain a new FG for Edmonds Community College.

5. How do I know if my FG has expired?

- Check your FG, and if it does not meet the requirements to satisfy Question 2, please contact your SACM advisor to request additional information.

- The ISS Fiscal team will remind of your financial coverage status via Edmail. Please check your Edmail frequently.

6. When do I need to submit my FG?

- By the tuition deadline, available online at the EDCC tuition site: [EDCC Tuition Deadline](#)
8. I received a FG after I paid for tuition, how can I get a refund?

- You must submit the FG to the ISS office no later than the 4th week of the academic quarter. If submitted on time, the ISS fiscal team will process the refund on your behalf. Refunds usually take about two months.
- If you submit an FG at any other time, please make an appointment with someone in the fiscal team.

REFUNDS

- The refund method will be the same as the original payment method, except for cash payments. If you paid with cash, EDCC will issue a check instead.
- If your bank account is closed, the refund method will still be the same as original payment method.
- We encourage you to keep your original bank account open until your refund is issued.
- Finally, the ISS Fiscal team will contact you via Edmail when your refund is ready for distribution.
