

Syllabus Signature: With my signature, I certify that I have read the syllabus and I understand it is a contract between the Instructor and myself. I realize that I am responsible for my progress in this class and that I need to talk with the instructor if I experience difficulties.

I will do my best to help with the studio clean up at the end of the Quarter. I agree that any belongings left in the studio after the end of the class will become the property of Edmonds Community College and can be disposed at the discretion of the Instructor or staff.

I will do my best to contribute to a positive environment and treat the studio and other people there with respect. I will help to keep the studio a clean and safe productive environment for myself and everyone who shares the studio collectively.
