Dear Marty,

On behalf of the faculty and staff of WGU Washington, I want to welcome you to our Community College Partnership Program. One of our primary goals is to offer Washington State community and technical college graduates a high-quality, affordable way to complete their bachelor's degrees online at a state-endorsed, accredited university.

Our Partnership Program offers some great benefits to students who transfer from {College Name}:

- **Waiver of the \$65 application fee**
- **5% tuition discount**
- **Special scholarship opportunities for qualified graduates**

I would also like to introduce you to our **Community College Relations Specialist for WGU Washington, Romey Beseiso**. Romey will ensure that you and your staff have all the materials you need to identify graduates who are a good fit for our online programs and provide them with the information they need. In addition, watch for a quarterly e-newsletter and monthly webinars aimed at helping you learn more about WGU Washington and its programs. Contact Romey at (877)-435-7948, Ext. 5778 or [rbeseiso@wgu.edu](mailto:rbeseiso@wgu.edu).

We are anxious to work with you to 'get the word out' at your campus using all types of media, including radio, TV, internet, printed material, and social media. We look forward to building our relationship and helping to provide your graduates with a new option for continuing their college education.

Sincerely,
