# HOUSING APPLICATION PROCESS

## Homestay

### New Students

New students who are wanting to live in homestay will be assigned to live with a host family in our EdCC Homestay program. All of our host families have participated in our homestay orientation, have background checks completed, and have been visited by our Housing representative staff.

#### Placement order depends on the following:

- Date that we receive complete application including all items below:
  - Application including homestay preferences
  - Application fee
  - Minimum advance placement fee (Covers the first 30 nights in homestay)
  - Other fees (if required)
  - Student's photo ID
  - Signed medical consent form (if required)
  - Arrival information
  - Background check form (if required)
- Gender
- Student's language
- Specific requests
- Special needs

### Currently enrolled homestay students

Students currently in homestay will get a housing questionnaire every quarter that asks what the students would like to do the following quarter. At that time students can decide if they would like to stay in our homestay program, move to the residence hall (if there is availability), or move out.

### Past Homestay Students

Students who have moved out of homestay and want to move back will need to email housing@edcc.edu to let us know their intentions of returning as well as their homestay preferences. Please note, students wanting to return to a specific host may not be able to depending on that host's availability.
